FALLS TO HIS DEATH

Warrant Charges Bicycle Policeman as Person Suspected of Being of Unsound Mind.

of Being of Unsound Mind.

Believed to be the result of the heat, Bicycle Policeman E. N. Andrews, of the Second District, was violently attacked by nervousness last night shortly before 9 o'clock at his home, Thirrieth and Leigh Streets. A warrant charring him with being a person suspected of being of unsound mind was sworn out by his brotherin-law, Charles R. Seay. Andrews's alieged strange behavior led to the police of the First District being nottied, and Mounted Officer Jordan and Bicycle Policeman Matt, with Magis-fate McCarthy, were sent to Angrews's home. The policeman, it was said, at first resented the interference, and told his brother officers that he would not accompany them. He is said to have selzed a heavy cuspidor and threatened those about him. However, he quickly became quiet and astreed to go with Matt and Jordan to the City Jail Hospital. He appeared freely.

for he entirely rational, and conversed freely.

Andrews, who is thirty-five years old, is one of the most popular officers of the Elchmond police department. He became a member December 1, 1906, and has served with credit and efficiency. His attack last night was a great shock to a host of friends and all members of the police force, who regard him with high esteem.

His condition is not regarded as serious, and it is believed that with proper treatment he will fully recover.

proper treatment he will fully recover.

For several months Andrews has been suffering from attacks of rheumatism, and for two weeks he has been on sick leave.

Some of his friends are inclined to believe that his present trouble is due to an accident several years ago, when he was struck a heavy blow on the head with a baseball bat. That accident occurred at the police pienic, when a batter, after hitting the hall, threw it to one side. It struck Andrews an usity blow. That, with the lixtense heat of the past few days and its broken physical condition due to rheumatism, is said to be the cause of his breakdewn yesterday.
